LET US HELP!

PEER COUNSELING

If you or someone you know needs help, please call us at the numbers provided in this brochure. New Directions of Horry County Addiction & Recovery team serves all of Georgetown and Horry counties.

MEETING

If our team members cannot come to you right away, we will arrange a meeting place to meet with the individual. You can share our contact information with the person in need of help.

UNDERSTAND

Substance use disorder is an illness. The survival instincts of one using a substance have been replaced by the substance being used.

BE KIND

It is important to be kind to those that suffer from substance use disorder. Check on them and ask how they are doing. You never know when the time is right, and they will need help.

ABOUT US

The Addiction Recovery Outreach team is here to combat any substance abuse - so no matter what is being used, we can help.

Trained and certified, our team is ready to help when you need them.
